**Would you like to make a positive  
contribution to the services and  
facilities offered by your practice?**

Alton Surgery and the current PPG members want to work with you to further improve the services and facilities we provide. This is your opportunity to make a positive contribution and get involved.

You can be involved as much or as little as you like, from keeping up to date on the latest developments, to completing surveys or even participating in discussion groups. It's up to you!

**Benefits of becoming a member:**

- ◆ Finding out more about your practice
- ◆ Having your say in the development and planning of changes to our services
- ◆ Receiving feedback on changes made in response to YOUR input

**As a result, you will be able to:**

- ◆ Voice your opinions and know that we are listening
- ◆ Make a positive contribution to the services and facilities we offer
- ◆ Take responsibility for your health and the health of the practice population

If you would like to be involved, email us at [altonPPG@outlook.com](mailto:altonPPG@outlook.com) and we will get back to you.
